The Chester Walking Pilgrimag Saturday 14th – Sunday 29th August 2004

Gloucester to Chester along the Welsh borders

COME AND JOIN US!

Each summer the Diocese of Arundel and Brighton organises an ecumenical walk to a place, shrine or area exploring a particular theme or aspect of our faith and Christian heritage. What we rediscover, year after year, is the amazing personal and community value of going on a pilgrimage as our medieval forebears did, where the journey, walking, laughing, sharing, praying, singing, etc. is as important as the destination. We stop at a pub or inn for lunch and sleep in church, school or community halls.

Sun 22nd

As we walk these border lands, historically disputed by the English and Welsh, we will reflect on current day issues of peace and justice, at home and abroad.

Every day we worship together as a Christian community, not only journeying together, but also growing together in Christ-centred friendships. We stop to pray in the churches we pass, many of which are of architectural

and historical interest, and all of which bring us into contact with the communities we are passing through. Services vary in style and formality.
