

The Winchester Pilgrimage

Saturday 13th – Sunday 28th August 2005

Walking from Canterbury along the Pilgrims Way

Each summer the Diocese of Arundel and Brighton organises an ecumenical walk to a place, shrine or area exploring a particular theme or aspect of our faith and Christian heritage. What we rediscover, year after year, is the amazing personal and community value of going on a pilgrimage as our medieval forebears did, where the journey, walking, laughing, sharing, praying, singing, etc. is as important as the destination. We stop at a pub or inn for lunch and sleep in church, school or community halls.

In 2005 we celebrate 30 years of our pilgrimages, and as we walk between the ancient cathedrals of Canterbury, Rochester and Winchester, we will reflect upon the Holy Spirit, which is the dedication of the modern cathedral at Guildford, which we also visit.

Every day we worship together as a Christian community, not only journeying together, but also growing together in Christ-centred friendships. We stop to pray in the churches we pass, many of which are of architectural and historical interest, and all of which bring us into contact with the communities we are passing through. Services vary in style and formality.

Requirements: All you have to be is over 15 (unless accompanied by an adult) and be fit enough to walk an average of about 16 miles per day at a moderate pace — and a sense of humour is useful.
